### and what have you

by BOB CRAIG

Because of a few mechanical problems in our shop last week this column was left out. When we have problems in the shop that cause us to leave something out or run too late the editor's material always goes first since that way we don't have to explain to anyone why their story was not in the paper.

For sometime now we have intended to put something in here about the postoffice having a few lost items on hand. Perry Sparks asked us some time back to let people know if they have lost something downtown they should check at the postoffice to see if they by any chance left it there.

When we sit down to write this column we always seem to forget about it. But this week we finally remembered it and so if you go to the postoffice and later find that you have lost your keys, billfold or a package it might be well if you check with them.

Every so often it seems that business men and their employees need to be reminded that they are hurting themselves and their fellow businessmen when they park on the downtown streets rather than using the parking spaces behind the stores.

The main advantage that the small town has anymore over the big cities is that people can find a free parking space within easy walking distance of all the stores.

When these parking spaces are taken by all day parking every business in town is hurt to some degree. Anywhere it seems people would rather drive 40 miles than to walk two blocks to shop.

Miss Lennie Greenway, secretary-treasurer of the Hamlin Cemetery Association, asks that we remind residents that she is still taking care of the responsibilities of the cemetery and she may be reached at her home.

While in Denton last week to look at some equipment I picked up a North Texas University paper, "The Campus Chat" and found out that Bealemania has reached North Texas. A sign in the window of a barber shop just off campus reads: BEATLE HAIRCUTS \$1.85 according to the paper.

Kinda expensive to be Beatles.

A special feature this year will be a cake and pie auction with the proceeds of the sale going to the Boy Scout Hut now under construction.

## ASPERMONT MAN FILES SUIT AGAINST LOCAL POLICEMEN

By Abilene Reporter News Staff Writer

An Aspermont rancher sued two Hamlin policemen for \$25,000 in federal court at Abilene Tuesday, charging they abducted his civil rights Dec. 5 by chaining and handcuffing him and putting him in the Jones County jail at Anson.

The rancher, Jerry Mack Douglas, named two brothers—Robert L. Chapman and Frank V. Chapman. The latter is Hamlin police chief.

The pair bound him with trace chains like those used on mules, Douglas claimed in his suit, which was filed by Abilene attorney David Hooper.

Douglas was arrested in the Aspermont office of Stovewall County Sheriff Charlie Gibson, who protested the use of chains and handcuffs, the federal petition charged.

Hooper said Douglas claims he was deprived of due process of law, was falsely imprisoned and was the victim of more force than necessary to make an arrest.

The Chapman brothers allegedly were seizing Douglas on a warrant for resisting arrest that arose from a warrant for a traffic ticket in Hamlin.

Douglas' petition alleges this chain of events occurred, beginning the night of Dec. 4, on U. S. 83 outside Hamlin.

Robert Chapman stopped Douglas' car and cautioned him about speeding through town, but issued no ticket nor made an arrest, Douglas drove on to Aspermont.

In Aspermont, Douglas said he learned Chapman had called Sheriff Gibson, asking that Douglas be jailed. The Sheriff refused, saying it wasn't necessary, Douglas alleges.

Chapman then drove to Aspermont and presented a traffic ticket to Douglas, whose

father, Clay L. Douglas, posted a \$25 cash bond with Sheriff Gibson.

The next day Chapman obtained a warrant charging Douglas with resisting arrest from Hamlin Justice of the Peace J. B. Eakin. The Chapman brothers served the warrant on Douglas in Sheriff Gibson's Aspermont office.

Douglas claims he was not informed of his civil rights, but was handcuffed and chained over the protests of Gibson who offered to personally guarantee there would be no trouble.

He was transported chained to Anson and jailed, says Douglas.

Hooper said that Douglas' father, with whom he farms and ranches, immediately freed his son on \$750 bond.

The petition states that, on Dec. 10, Judge Eakin dismissed Dec. 10, Judge Eakin dismissed against Douglas.

Hooper said that, in January, his client was fined \$50 in city court at Hamlin on the speeding charge. The conviction has been appealed to Jones County Judge Leon Thurman in Anson but no hearing date has been set, he said.

The file in the U. S. District Court clerk's office in Abilene indicated that Marshal Bill Black had not yet filed notification of the suit against the Chaptmans.

## Letter to Editor

Editor of Hamlin newspaper Hamlin, Texas

Dear Sir:

In compiling a history of my ancestors, I find that some of them lived at the area which your paper serves. Will you place in your paper a story to help me locate and contact persons by the surname of Deal.

My great uncle George Deal lived near there for 45 years or so. They were early settlers in Texas. They settled first in Erath County. He had a sister named Carrie Belle Deal Hayes who died at Sweetwater about 1884. She was said to be the first white woman buried in Fisher County. She was buried at Roby or Rotan.

I would be happy to hear from any of descendants of George Deal that may still live in that community. I will furnish anyone interested with any of the data that I am compiling on this family.

I am enclosing money for a copy of the paper in which you print my letter. I will be grateful for this service.

## THE MINISTER SPEAKS— FOUR HEAVENLY SURETIES

by John Burleson  
pastor, Calvary Baptist Church  
"My sheep hear my voice, and I know them, and they follow me: And I give unto them eternal life; and they shall never perish, neither shall any man pluck them out of my hand. My Father, which gave them me, is greater than all; and no man is able to pluck them out of my Father's hand. I and my Father are one." (John 10:27-30).

Four things may be seen in this scripture. The first of which is Heavenly Recognition. Jesus says that His sheep hear His voice, and He knows them. I think it is wonderful that we can have a leader that knows us. I may not be very well known here on this earth but the Bible assures me that I am known in heaven.

Secondly, we find Heavenly Leadership. It is a great thing that we have some one to lead us that cannot lead us astray, or in the wrong path. He leads us too in the path of service, with our tithes, talents, and our time. He never leads wrong and all that He leads are His. In Romans chapter 8, verse, we read "For as many as are led by the Spirit of God, they are the sons of God".

The third point is Heavenly Security. "I give unto them eternal life and they shall never perish, neither shall any man pluck them out of my hand." Dear friend, when you are in the hand of Jesus Christ, you are in safe hands, because He says further that "My Father, which gave them me is greater than all; and no man is able to pluck them out of my Father's hand." So you

see you are not only safe in the hands of Jesus, but you have the protection of God also.

Heavenly Ownership we find as the fourth thought. You know if you are not His. He cannot give all these things to you, but thanks to God when we have accepted His Son and become one of the children of God He says His "Sheep". The Shepherd may find sheep in the fold that he does not know to whom they belong. But all that are His He will know, and be able to keep them all together. "neither shall any man pluck them out of my hand."

### Husbands Guests Of Alathean Class For Pot Luck Dinner

Twenty members and their husbands, as guests, were present for a pot luck dinner, held Friday night at 7:30 in the Fellowship Hall of the First Baptist Church, for the monthly business and social meeting of the Alathean Sunday School Class.

The hall was decorated, as for a "Roman Feast", using the same decorations which carried out the theme of the annual "Sweetheart" banquet, held Thursday night, given by the church for the youth.

Mrs. B. V. Newberry gave the invocation.

Mrs. Tate May, teacher of the class, presided at the business session, in the absence of Mrs. Revis Robertson, president.

S. L. Tate Jr., who was in charge of the program, gave a talk on "Love" stressing February being known as the "Heart" month and gave 1 Corinthians, 13:1 as basis for his remarks. Then he led the group in playing the game of "Password", taken from the TV program, in which the women oppose the men in guessing a given word. The result was called a tie.

Gifts from the class were presented by Mrs. May to Mrs. Herman Sharer and Mrs. Charles E. Pearce for having birthdays during February, and S. L. Tate Jr.

The Committee in charge was Revis Robertson, Mrs. George Pruitt, Mrs. George Batchelor, and Mrs. W. I. Goolsby.

Next meeting will be held in the home of Mrs. Lenard Hartley, with Mrs. Floyd Clifton as co-hostess.

## FOR EVERY PROBLEM, THERE IS A SOLUTION

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

## PATTERNS FOR PROGRESS

### TOURISM ... its value to you

America is on the road ... going places ... seeing things. Texas had 9.6 million out-of-state visitors in 1963 who spent \$471 million plus \$25 million in direct state taxes. As an example in WTU territory, more than 100,000 last year visited Big Bend National Park (pictured above).

A mere eight tourist cars a day that stop in a community is the equivalent of an added \$100,000 annual payroll. Travel and tourism in Texas will grow even faster because of vastly increasing tourist promotion on both the state and local level. This makes tourism of value to every community in the WTU service area, and one of our major economic factors.

Many communities are benefiting from tourism as one of the important PATTERNS FOR PROGRESS. These communities are:

1. Developing tourist attractions (even a rodeo or county fair is a "tourist attraction").
2. Building facilities to care for tourists and other travelers no matter where they are headed (Alpine's Ponderosa Restaurant, pictured left, is one of many such facilities).
3. Creating facilities for the growing number of business and family non-vacationing travelers who fill the highways day after day.

That is why we suggest that you evaluate the importance of tourism to you, and consider seriously how your community can benefit from it.

## and what have you

by BOB CRAIG

Because of a few mechanical problems in our shop last week this column was left out. When we have problems in the shop that cause us to leave something out or run too late the editor's material always goes first since that way we don't have to explain to anyone why their story was not in the paper.

For sometime now we have intended to put something in here about the postoffice having a few lost items on hand. Perry Sparks asked us some time back to let people know if they have lost something downtown they should check at the postoffice to see if they by any chance left it there.

When we sit down to write this column we always seem to forget about it. But this week we finally remembered it and so if you go to the postoffice and later find that you have lost your keys, billfold or a package it might be well if you check with them.

Every so often it seems that business men and their employees need to be reminded that they are hurting themselves and their fellow businessmen when they park on the downtown streets rather than using the parking spaces behind the stores.

The main advantage that the small town has anyone over the big cities is that people can find a free parking space within easy walking distance of all the stores.

When these parking spaces are taken by all day parkers every business in town is hurt to some degree. Anytime it seems people would rather drive 40 miles than to walk two blocks to shop.

Miss Lennie Greenway, secretary-treasurer of the Hamlin Cemetery Association, asks that we remind residents that she is still taking care of the responsibilities of the cemetery and she may be reached at her home.

While in Denton last week to look at some equipment I picked up a North Texas University paper, "The Campus Chat" and found out that Bealmania has reached North Texas. A sign in the window of a barber shop just off campus reads: BEATLE HAIRCUTS \$1.85 according to the paper.

Kinda expensive to be Beatles.

The Hamlin Lions Club will hold their annual Pancake Supper Friday night in the High School Cafeteria from 5:30 until 8:00 p.m. In addition to all the pancakes and bacon you can eat for 75c and 50c they will have entertainment scheduled throughout the evening.

A special feature this year will be a cake and pie auction with the proceeds of the sale going to the Boy Scout Hut now under construction.

If you have other plans for the evening why don't you plan on going early to eat. If you don't have anything else planned, come a little later and stay awhile and enjoy the entertainment and the auction.

## ASPERMONT MAN FILES SUIT AGAINST LOCAL POLICEMEN

By Abilene Reporter News Staff Writer

An Aspermont rancher sued two Hamlin policemen for \$25,000 in federal court at Abilene Tuesday, charging they abducted his civil rights Dec. 5 by chaining and handcuffing him and putting him in the Jones County jail at Anson.

The rancher, Jerry Mack Douglass, named two brothers Robert L. Chapman and Frank V. Chapman. The latter is Hamlin police chief.

The pair bound him with trace chains like those used on mules, Douglas claimed in his suit, which was filed by Abilene attorney David Hooper.

Douglass was arrested in the Aspermont office of Stonewall County Sheriff Charlie Gibson, who protested the use of chains and handcuffs, the federal petition charged.

Hooper said Douglas claims he was deprived of due process of law, was falsely imprisoned and was the victim of more force than necessary to make an arrest.

The Chapman brothers allegedly were seizing Douglas on a warrant for resisting arrest that arose from a warrant for a traffic ticket in Hamlin.

Douglass' petition alleges this chain of events occurred, beginning the night of Dec. 4, on U. S. 83 out of Hamlin.

Robert Chapman stopped Douglas' car and cautioned him about speeding through town, but issued no ticket nor made an arrest. Douglas drove on to Aspermont.

In Aspermont, Douglas said he learned Chapman had called Sheriff Gibson asking that Douglas be jailed. The Sheriff refused, saying it wasn't necessary, Douglas alleges.

Chapman then drove to Aspermont and presented a traffic ticket to Douglas, whose

father, Clay L. Douglas, posted a \$25 cash bond with Sheriff Gibson.

The next day Chapman obtained a warrant charging Douglas with resisting arrest from Hamlin Justice of the Peace J. B. Eakin. The Chapman brothers served the warrant on Douglas in Sheriff Gibson's Aspermont office.

Douglass claims he was not informed of his civil rights, but was handcuffed and chained over the protests of Gibson who offered to personally guarantee there would be no trouble.

He was transported chained to Anson and jailed, says Douglas.

Hooper said that Douglas' father, with whom he farms and ranches, immediately freed his son on \$750 bond.

The petition states that, on Dec. 10, Judge Eakin dismissed Douglas.

Hooper said that, in January, his client was fined \$50 in city court at Hamlin on the speeding charge. The conviction has been appealed to Jones County Judge Leon Thurman in Anson but no hearing date has been set, he said.

The file in the U. S. District Court clerk's office in Abilene indicated that Marshal Bill Black had not yet filed notification of the suit against the Chaptmans.

## Letter to Editor

Editor of Hamlin newspaper Hamlin, Texas

Dear Sir:

In compiling a history of my ancestors, I find that some of them lived at the area which your paper serves. Will you place in your paper a story to help me locate and contact persons by the surname of Deal. My great uncle George Deal lived near there for 45 years or so. They were early settlers in Texas, having settled first in Erath County. He had a sister named Carrie Belle Deal Hayes who died at Sweetwater about 1884. She was said to be the first white woman buried in Fisher County. She was buried at Roby or Rotan.

I would be happy to hear from any of descendants of George Deal that may still live in that community. I will furnish anyone interested with any of the data that I am compiling on this family.

I am enclosing money for a copy of the paper in which you print my letter. I will be grateful for this service.

THE MINISTER SPEAKS—  
FOUR HEAVENLY SURETIES

by John Burleson  
pastor, Calvary Baptist Church  
"My sheep hear my voice, and I know them, and they follow me: And I give unto them eternal life; and they shall never perish, neither shall any man pluck them out of my hand. My Father, which gave them me, is greater than all; and no man is able to pluck them out of my Father's hand. I and my Father are one." (John 10:27-30).

Four things may be seen in this scripture. The first of which is Heavenly Recognition. Jesus says that His sheep hear His voice, and He knows them. I think it is wonderful that we can have a leader that knows us. I may not be very well known here on this earth but the Bible assures me that I am known in heaven.

Secondly, we find Heavenly Leadership. It is a great thing that we have some one to lead us that cannot lead us astray, or in the wrong path. He leads us too in the path of service, with our tithes, talents, and our time. He never leads wrong and all that He leads are His. In Romans chapter 8, verse, we read "For as many as are led by the Spirit of God, they are the sons of God".

The third point is Heavenly Security. "... I give unto them eternal life and they shall never perish, neither shall any man pluck them out of my hand." Dear friend, when you are in the hand of Jesus Christ, you are in safe hands, because He says further that "My Father, which gave them me is greater than all; and no man is able to pluck them out of my Father's hand." So you

see you are not only safe in the hands of Jesus, but you have the protection of God also.

Heavenly Ownership we find as the fourth thought. You know if you are not His, He cannot give all these things to you, but thanks to God when we have accepted His Son and become one of the children of God He says His "Sheep". The Shepherd may find sheep in the fold that he does not know to whom they belong. But all that are His He will know, and be able to keep them all together. "... neither shall any man pluck them out of my hand."

Husbands Guests Of Alathean Class For Pot Luck Dinner

Twenty members and their husbands, as guests, were present for a pot luck dinner, held Friday night at 7:30 in the Fellowship Hall of the First Baptist Church, for the monthly business and social meeting of the Alathean Sunday School Class.

The hall was decorated, as for a "Roman Feast", using the same decorations which carried out the theme of the annual "Sweetheart" banquet, held Thursday night, given by the church for the youth.

Mrs. B. V. Newberry gave the invocation.

Mrs. Tate May, teacher of the class, presided at the business session, in the absence of Mrs. Revis Robertson, president.

S. L. Tate Jr., who was in charge of the program, gave a talk on "Love" stressing February being known as the "Heart" month and gave 1 Corinthians, 13:1 as basis for his remarks. Then he led the group in playing the game of "Password", taken from the TV program, in which the women oppose the men in guessing a given word. The result was called a tie.

Gifts from the class were presented by Mrs. May to Mrs. Herman Sharer and Mrs. Charles E. Pearce for having birthdays during February, and S. L. Tate Jr.

The Committee in charge was Revis Robertson, Mrs. George Pruitt, Mrs. George Batchelor, and Mrs. W. I. Goolsby.

Next meeting will be held in the home of Mrs. Lenard Hartley, with Mrs. Floyd Clifton as co-hostess.

O'Pray, Roy Brown, W. H. Carter, Mmes. W. W. Fletcher, Ernest Lee and A. G. Miller.

FOR EVERY PROBLEM, THERE IS A SOLUTION

Such a predicament! Stuck in mud a foot deep! What to do? Just sit in despair? Wring your hands? Of course not! There is a solution. Obviously, this is a simple predicament. But what about the enormity of some of life's problems? There is an answer. There is help. God is "a very present help in time of trouble," the scriptures say. Try Him—try Jesus. Feel His presence and let Him speak to you in church this Sunday.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

PATTERNS FOR PROGRESS

TOURISM ... its value to you

America is on the road... going places... seeing things. Texas had 9.6 million out-of-state visitors in 1963 who spent \$471 million plus \$25 million in direct state taxes. As an example in WTU territory, more than 100,000 last year visited Big Bend National Park (pictured above).

A mere eight tourist cars a day that stop in a community is the equivalent of an added \$100,000 annual payroll. Travel and tourism in Texas will grow even faster because of vastly increasing tourist promotion on both the state and local level. This makes tourism of value to every community in the WTU service area, and one of our major economic factors.

Many communities are benefiting from tourism as one of the important PATTERNS FOR PROGRESS. These communities are:

1. Developing tourist attractions (even a rodeo or county fair is a "tourist attraction").
2. Building facilities to care for tourists and other travelers no matter where they are headed (Alpine's Ponderosa Restaurant, pictured left, is one of many such facilities).
3. Creating facilities for the growing number of business and family non-vacationing travelers who fill the highways day after day.

That is why we suggest that you evaluate the importance of tourism to you, and consider seriously how your community can benefit from it.
